Praise and Thanksgiving

JANUARY/FEBRUARY 2017

"We are bound to thank God always for you, brethren, as it is fitting, because your faith grows exceedingly, and the love of every one of you all abounds toward each other. . ."

2 Thess. 1:3

Angola—Isabel Surgeon

We are networking with the missions organization, Operation Mobilization, to get Derek's Portuguese teaching and 10 Mega Voice players to seven of their Bible colleges and training centers across Angola.

Australia—Alex Genovese

DPM indigenous workers, Graeme and Veronica Hunter, praise God for their work with the Children's Prayer Network of Australia in New South Wales. They are grateful for seeds that were sown in young and old, for those who came to Jesus, and for healings and miracles they witnessed, including a 7-year-old boy who died three times at birth, and had a collapsed lung, but whom Jesus healed and restored!

Belarus—Neil Cornick

- We were able to work with new churches in 2016 and encourage and equip many pastors and others with Derek's material. We're also thankful for new Correspondence Bible School students.
 - Peter from Minsk sent this testimony: *"Thank God for the teaching in Derek Prince's books and sermons. When I read Foundations for Christian Living and studied the purposes of Pentecost, I began to look for fulfillment of God's promise and desired to be baptized in the Holy Spirit. I realized this promise was still real for our days, but in my church I had always been taught it was only for the times of the apostles. Derek Prince described it so simply and understandably. I began to speak other languages when I accepted God's promise in faith. Derek's teaching also helped me pray for deliverance from curses and evil spirits . . . joy and renewal came. When we had financial difficulties in my family and I had no job, I was so inspired by Derek's sermons. The results followed after a short time. God gave me a good job with a doubled salary. I believe He continues to use Derek Prince's teaching for edification of God's church."*

Botswana—Isabel Surgeon

We're grateful for contacts to help us supply pastors, Bible schools and Christian hospital workers with 10 Mega Voice players. Some contacts came out of visits to Botswana last year by Zimbabwe Director, Tich.

Cambodia—Annie Chen-Green

- We thank God for the DPM team God has raised up in China, Taiwan, Singapore, Canada and New Zealand! They are greatly appreciated for their faithful service. All except Director Ross Paterson and his wife are ethnic Chinese who have a burden to carry on Derek's ministry.

Czech Republic—Daniel & Kristyna Skokan

Solid Bible teaching is greatly needed here, as many believers are easily moved by different winds of doctrine. We thank the Lord for the ongoing interest in Derek's material, which is clear evidence of a growing hunger for healthy Bible teaching.

Fiji—Christine Valentine

Testimony from a pastor: “Our church has a mission team that evangelizes from house-to-house every week, and we are seeing people come to Jesus and to church. This is why we really need good discipleship material, and the Self-Study Bible Course by Derek Prince is ideal. My wife had a copy of this book and used it to do some follow-up with people and was greatly impressed with the response.”

France—René de Groot

- A generous donation from DPM—New Zealand enabled us to print 6,000 copies of *Life-Changing Spiritual Power* in French. Praise God for this collaboration and that this dream of expansion and distribution has come true!

We have been able to teach the foundations as well as teaching on prayer and the Holy Spirit. His teaching is very unique and written in such a way that we who are less educated also understand. Believers in our church are very grateful. We have been able to learn valuable truths."*

Netherlands—Ivar van der Sterre

- A Teaching Letter sent out entitled *Stay in God's Truth* focused on two dangers for the contemporary Church—materialism and compromise—based on a Teaching Letter from 1993 that was well received. Many extra copies have been ordered.
- We are seeing interest in radical spiritual messages that surpass mediocracy and really equip and challenge the Church to total surrender to God's ways.
- We recently launched the fifth run of our online course, "Promised Land," within three years. There appears to be increasing interest in God's plan for Israel.

New Zealand—Warren Smith

We had wonderful responses to Derek's teaching material sent to a prison library. The *Laying the Foundation* booklets and Teaching Letters are proving very popular.

Norway—Sverre Kristoffersen

- We praise the Lord for a large donation from our area to support India/Asia in the coming year!
- We are amazed to see more young people taking interest in the Bible in schools.

Pakistan—James and Elizabeth

Elizabeth taught at a ladies' seminar in Quetta (west Pakistan) late last year using Derek's material on *The Gifts of the Spirit*. About 70 women from different churches attended. They were the wives of pastors and evangelists and came from professional backgrounds. Many testified that this teaching was exactly what they needed and said they had never heard it before. Others had many doubts and questions answered. Each participant was given a copy of Derek's book on this subject following the seminar.

Philippines—John Cochran

- The biggest bookshop chain here, the National Bookshop, has agreed to stock Derek's books! They have branches in all malls and large cities, and customers always explore their "religion" section!
- Our Oasis Children's Home received funds from a Trust in America to purchase a van, so I am now able to travel widely with large stocks of Derek's English books printed by DPM-India.

Romania—Fanel & Monica Serban

- We are grateful for prayers and financial support in 2016 that helped us accomplish all the projects we had planned. We saw God's faithfulness at work.
- Through the Romanian Christian TV channel that has broadcast weekly video teachings by Derek Prince, a lot of people were touched and blessed. Praise the Lord!

South Africa—Isabel Surgeon

- We thank God for faithful donors in 2016. Our vision is to continue providing "Joseph's Storehouses" (Bible schools, prisons, ministries) of Derek's teaching for fierce times ahead.
- We now have 37 e-books available on our website, and there is a separate youth/young adult page. We also launched a Facebook page.
- We plan to add more free material, online courses and the African language DVDs on YouTube.

Sri Lanka—Elsie & Danny

We praise God for the ministry that took place during our last trip to Sri Lanka in September where many people were healed and delivered, 35 young people received the baptism of the Holy Spirit, and 68 people completed the DPM Bible College training in Jaffna. Much fruit is coming in by the grace of God!

Swaziland—Isabel Surgeon

- The SiSwati Foundations DVDs are available for distribution in Swaziland.
- We will also distribute 10 Mega Voice players to Bible schools in Swaziland.

Sweden—Sverre Kristoffersen

Four new Swedish books have been printed!

Tanzania—Isabel Surgeon

- Joy Radio is broadcasting Derek's English radio messages. We hope to get the Swahili CDs checked and ready for airing as well. Lowell and Claudia Wertz will be overseeing this project.
- We will be distributing 10 Mega Voice solar players to Bible schools in Tanzania.

Western Samoa—Warren Smith

Ten boxes of Derek's books, CDs and DVDs have been sent from DPM-New Zealand for distribution to churches and ministries throughout Western Samoa.

Zambia—Isabel Surgeon

- We have been sending Derek's books and material to Kaniki Bible School for almost 30 years.
- Ten Mega Voice players will be going to Bible schools in different parts of Zambia.

Zimbabwe—Tich Ruzane

- Despite the harsh conditions in Zimbabwe, people have not stopped requesting Derek Prince materials. *Blessing Or Curse* remains the most sought after book among others.
- Testimonies:
 - *Apostle Marechera from House of Dunamis has acquired the book Foundations for Life which he is using in discipleship training. He has also recommended God is a Matchmaker to one of his spiritual sons who has gone through a rough divorce and is in despair. He strongly feels it will be of great help in his recovery.”*
 - A conversation started with a pastor from Maranatha World Revival Ministries who regularly visits the office and works in the vicinity. Pastor Mabututu has recently been sent to start a church in Melfort, Ruwa. About 20 people come to his services every Sunday. Our office eagerly donated some books to equip him for pastoral work and ministry.
 - Angeline, an avid reader of Derek Prince’s books, came to get the book, *Blessings and Curses Explained*. She says she has been finding it difficult to point out to her folks the presence of a curse at work in their lives. This book, she believes, will help open their eyes, especially coming from a third party rather than from a familiar person.
