

DEREK PRINCE MINISTRIES

Worldwide Prayer Focus

JULY 2017

"Be strong and courageous . . . And the LORD is the One who goes ahead of you; He will be with you. He will not fail you or forsake you. Do not fear, or be dismayed."

Deuteronomy 31:6, 8

July 1—INTERNATIONAL

Pray today (and for each nation as you come to it) for the DPM directors or coordinators, staff and outreach workers to walk in God's blessings—good health, strength, favor, wisdom, provision, anointing and protection—in their personal lives and ministry responsibilities.

July 2—CHINA

The China team is working with printers inside China for the next print run in July or August. A Christian printer that has worked with DPM for a long time wants to print *Be Perfect* and *Pulling Down Strongholds* and two other books as soon as they can be funded. Pray for the needed finances.

PRAISE & THANKSGIVING:

- The new Derek Prince China WeChat platform and websites are reaching folks across a number of Asian countries, in addition to Taiwan and a number of provinces in China!
- There is continued interest in Derek's books in Taiwan, where they are published by Christian publishers, a huge advantage to us as our contract gives us free translations for use inside China.
- It is always encouraging to meet people anywhere in Asia who have been impacted by Derek's materials. At a recent lunch meeting with ethnic Chinese in Kuala Lumpur, Malaysia, one of our team was told how much Derek's teaching had meant over the years.

July 3—CAMBODIA

Pray for DPM—New Zealand Trustee, Alan, his wife Lynda, and ministry supporters, Peter and Elizabeth, as they work with Director Huy and his team in Cambodia to train and minister to pastors, ministry leaders and others. They arrived June 26 and will be there until July 13.

PRAISE & THANKSGIVING: New Zealand

- Our regional conference in May, attended by 26 outreach directors from the India Sub-continent and several S.E. Asian nations, was very successful and encouraging.
- Philippines Director, John Cochrane, spoke at an ordination for about 50 leaders of the largest Filipino church network in New Zealand. Each leader received a mini-library of Derek's books.
- A supporter who had read many of Derek's books was confused in what to believe—what Derek said or what her pastor said. After pointing her to God's Word, she realized her church was a cult and her religious activities had been to try to buy God's favor. She now goes to a Bible-believing church and is thankful that Derek's teaching showed her His truth, and that truth has set her free!

July 4—EASTERN EUROPE

Branco, DPM director over this region, will travel in July and August to the DPM bases in Serbia, Romania, Slovakia, Bulgaria, Albania and also go into Macedonia and Greece. It will be a long drive in hot weather through nations where he must be more careful than usual, as the Balkan countries are flooded with refugees trying to get into western Europe. Pray for God's protection and blessing over this trip.

July 5—ZIMBABWE

- Pray for protection and wisdom for Sheila, the office manager, as she helps distribute the Mega Voice players and other material sent from the DPM—South Africa office and uses these opportunities to promote the ministry. (See praise section.)
- Continue to pray for God to move among the Lemba people (Jewish) who are responding to the gospel and being discipled by the Messianic Jewish Bible Institute. The South Africa office plans

PRAISE & THANKSGIVING:

- Tich travelled for two weeks in May to distribute Mega Voice players and visit the contacts he has in a number of cities. Sheila, who oversees the office when Tich is away, helped distribute 9 Mega Voice solar players (provided for through a generous donor in South Africa) to several missions organizations, a Bible school and a missionary couple who work with young people in correctional services. She will also distribute English, Shona and Ndebele Foundations DVD sets. She uses these opportunities to also help promote the ministry in Zimbabwe.
- Tich met Nic Lesmeister, the new President of the Messianic Jewish Bible Institute that is teaching the new Lemba believers. Mr. Lesmeister was pleased to know we have Shona and Ndebele Foundations teaching available.

July 6—SYRIA

- Ministry is very difficult in a war-torn country where everyone is suffering. Pray for God's mercy and intervention so that His Word and Bible teaching can flow freely and bring hope and encouragement to many.
- Pray for protection, provision and encouragement for George, a co-worker who distributes Derek's books through a Christian bookshop and churches; co-worker Abdo, who just lost his mother, has failing health and can barely feed his family (father and siblings); and George's son, Elie and other young people who continue their studies, but have no hope for the future.

“God’s Word Heals is a fairly new Urdu book. This is mind-blowing teaching, what I was waiting for, for the church in Pakistan. It has increased my faith level. Healing is a visible and miraculous power encounter; therefore, many have gone astray from the Word of God by just following signs. They have neglected the power and authority of the Word. Many pastors are under deception by doing things without making the Word of God the center of their ministries and lives. Surely, this book is going to help many come back to the Word. Pray that Derek’s teaching contained in the Mega Voice players will bring salvation, healing and deliverance to many as new believers and young people are taught the Word of God.

August 30—MALAYSIA

Many believers here want Derek’s teaching in Bahasa Indonesia on micro SD cards, so his material will be duplicated for distribution, both for give-away and sales. Pray that this process goes smoothly and that these messages will greatly bless all those who receive them.

August 31—SRI LANKA

- Pray for wisdom for the coordinators, Sam and Olivia, in deciding which books to have translated into the Sinhala language.
- There are huge concentrations of Sri Lankans in Europe. Pray that many in Sri Lanka would give toward making Derek’s Tamil books available in Europe for these immigrants.
