

# DEREK PRINCE MINISTRIES

## Worldwide Prayer Focus

SEPTEMBER 2017

*"I will declare the decree: The LORD has said to Me, 'You are My Son, today I have begotten You, ask of Me, and I will give you the nations for Your inheritance, and the ends of the earth for Your possession....'"*

Psalm 2:7–8 (NKJ)

### September 1—INTERNATIONAL

Pray for the worldwide directors, staff and outreach workers to walk in God's blessings—good health, strength, favor, wisdom, provision, anointing and protection—in their lives and ministry responsibilities. (Pray this, if you would, for each nation as you come to it, as many offices ask for similar prayer.)

### September 2—NETHERLANDS

A new online course is in progress on the names of God so people can come to know Him better as He is represented in His Word. Pray for divine inspiration in developing questions and the course format.

### PRAISE & THANKSGIVING:

- We are happy to have a new colleague, Timo, who will work in our office before continuing his YWAM (Youth with a Mission) Discipleship Training at their School of Biblical Studies next year.
- We are thankful the work was completed on our new mobile App and is now approved for Android and Apple devices. It contains our proclamation cards and daily devotions.

### September 3—MIDDLE EAST

- Derek's teaching on deliverance is being prepared for Bible colleges in Iraq and a large church in Kuwait where Derek's books are already used. Pray for this teaching to be accepted and used as a training tool and preparation for ministry.
- Pray for *Self-Study Bible Course* to be a great blessing to the large multi-national church in Kuwait that will use it in their foundational courses since it is available in several languages; pray also for safe shipments of the material proposed for this church.

### September 4—SRI LANKA

### September 6—FRANCE

- Pray for more people to desire to support DPM's outreaches and for increased online giving.
- The previous president of France was the worst in French history, and a different outcome was prayed for. Now, newly elected President, Macron, plans to enact some dangerous measures

while the Church here is weak, divided, and bound by strongholds. The spiritual atmosphere seems even darker, so pray for God to sovereignly move in France.

#### **September 7—TURKEY**

We thank God for the 30x13 Project teachings (Video Bible School) on USB sticks which we have been distributing to the Indigenous people. They are excited to get them and so appreciate Derek's teaching.

- Director Gopaljee made a new connection in Sikkim and West Bengal, and leaders came to get Derek's Nepali books. Pray that this material will spread far and wide in these two states.

#### **PRAISE & THANKSGIVING:**

We are very grateful for the Lord's provision that enabled us to purchase a four-wheel drive vehicle. Given that we visit many difficult-to-reach parts of the nation with Derek's material, it was vital to have a good, reliable vehicle, and we are most grateful for it.

#### **TESTIMONY:**

*"The ministry in China is something the Lord put on my heart. In 2014, I felt strongly that the next few years would be a critical time to invest in the Word. I took that literally and knowing how much your ministry loves to share the Word globally, I set a donation goal. I haven't reached it yet, but I am amazed at God's provision, especially as I am a wage earner who has traditionally lived from week to week. I asked Him for a budget and was given a plan to achieve something I had in my heart. I am grateful for the amazing provision from your ministry. You have spoken into my heart and situation on a number of occasions. I am blessed to be able to be part of God's people reaching out to others I cannot see."*

#### **September 12—SRI LANKA**

DPM-India Directors, Elsie and Danny, are in Sri Lanka until September 23 to hold ministry training, and Elsie is also recording Derek's teaching in Tamil at Swarga TV. Pray that many will see these programs and grow in understanding God's Word while also becoming aware of DPM resources now available in Sri Lanka.

**PRAISE & THANKSGIVING:**

We praise God for new book sales, which have just begun with a large bookstore in the capital, Colombo.

**September 13—CAMBODIA**

**TESTIMONY: Myanmar**

Testimony received: *"I'm a Reverend in Yangon. Part of my work is to visit the sick in hospitals and homes. I pray for them fervently, using the Word of God. I have memorized many Bible verses. But using Derek's book, God's Medicine Bottle, gives me more power. The real life testimony and verses in the book give me more impact. A patient read it many times and received peace of mind. He used to be bed-ridden, but now he has started back at his food shop and is already cooking. It is wonderful to see him like this and to enjoy food in his shop, talking to him and sharing the love of God."*

**September 14—EAST AFRICA**

In Moxico Province, 479 people have testified of being helped with the teachings, and in Luanda City, 585 people have responded with the same testimony.

**September 15—CHINA**

The WeChat platform and the two new DPM Chinese language websites are attracting more visitors who can now read Derek's materials through cellphones. (Of China's people who go online, 80 percent use cellphones, not computers or tablets.) Pray for many more to be reached until it is a tidal wave!

**PRAISE & THANKSGIVING:**

- The DPM Chinese WeChat platform (a do-it-all digital App in China) shows responses from every province except two in the far west! We can now reach many new people across China!
- Our Taiwan publisher gives us free translations, but it has been very difficult for some time to convert their material from Taiwan's original script to Chinese Simplified Script. The printer has now resolved this battle, so we can get good translations again.

Some Iranian underground pastors met in secret recently for special training with the Video Bible School teaching (30x13 Project). Many have little or no theological background and need teaching and oversight. Pray for this material to help them gain a solid foundation for their faith and equip them to disciple others.

#### **September 21—VIETNAM**

- Pray for God's protection and anointing on the translators who have completed work on Proclamation Cards in Vietnamese and are now translating several books and Teaching Letters.

### **TESTIMONY:**

*"Brother, I am eternally grateful for the teachings I found on YouTube regarding how to expel demons. As a child and into adulthood, I have always suffered from problems with my ears. They always hurt, were always infected with a discharge.... This was a daily occurrence. Many people suggested I get surgery which would cost about \$10,000 for each ear. However, that was never an option for me. About two weeks ago, I ran into your teachings. I thought it was really interesting. Keep in mind I've been a Christian since about the age of 19, and I have been praying for years for healing of my ears. I am now 47. I must confess I did everything you said to do with the intention of being free from any demon but never with the intention of anything else. But yesterday, I realized that my ears haven't been infected anymore—which means that it was caused by a demon. I just wanted to tell you my testimony and thank you for your videos. I would love to hear back from you. God bless!!"* —Adan (website contact)

He recommended these teachings to us, and it has touched our lives. I absolutely loved the Spiritual Warfare series."* —Etienne B

One of the best Armenian Bible scholars, Eduard Manukyan, wrote an endorsement for the *Self-Study Bible Course*, for which we are grateful:

*“According to many statistics, Bible reading and studying is decreasing among Christians, which leads many evangelical believers to fall into many deceptions. One of the most famous Christian authors of the 21st century, Derek Prince, wrote this book to encourage God’s children not to just read the Bible, but to study and make friendship with it. I am sure this book will help many explore and find God’s true revelation and many blessings by the help of the Holy Spirit and God’s grace.”*

- Ivan L. wrote on Facebook: "*Derek Prince is my spiritual father. If I had not seen and heard his video tapes, I would have never met Jesus Christ as my personal Savior.... I live in Germany now, but in 1992 I got my mother a set of Derek's video tapes. We watched them and were convinced that his teaching was truth. So we went to the church in Florida where Derek was. Both of us were baptized in water, and later on in the Spirit. We returned to Germany and looked for a church. We skipped a few because they did not approve of Derek's teachings.*" After many years, Ivan and his mother are still faithful members of a Pentecostal church in Germany.
- Stjepan, a former Communist Party member, called and said, "*I am 84 years old and had an operation of the heart three times. I visited a Roman Catholic Charismatic meeting and bought a few of Derek's books. They were excellent, and I am calling you because of that. Every person with a sound mind will say that Derek's teachings are wonderful. Please continue with this work, do not give up. Many people are deceived and are ignoring the truth.*"
