

**Children (5-11):
Instruction On Deliverance
For Children And Their Parents
6008**

First of all, remember that God loves you.

I. God Has Established An Order For The Family

- A. When this order is set aside, problems begin.
- B. Problem children come from problem parents

II. The First Essential, For Parents And Children Alike, Is Salvation

- A. It is the father's responsibility to show his children the way of salvation, as follows:
 - 1. We are all sinners, but God loves us and sent Jesus to die on the cross. Jesus rose again and is alive at God's right hand.
 - 2. Sooner or later, we must all choose: Do we want to belong to God, or to the devil?
 - 3. The devil is a *thief*, but because he is a spirit, you cannot see him with your eyes. He has a lot of bad little spirits working for him, trying to get into you.

III. How Children Are Exposed To Evil Spirits:

- A. Personal testimony from my own childhood
 - 1. I was born in India, and brought up by a Hindu nurse.
 - 2. By the time I was two, many evil spirits from India had entered me. At that age the demon of anger entered me through my father's teasing me.
 - 3. At the age of twelve, in boarding school, the demon of murder entered me when another boy took a football from me.
- B. When parents argue at home, they open the door to evil spirits and their children are exposed to them
- C. A spirit that commonly attacks children is *fear*.
 - 1. This spirit entered me through being taken to see a play about a man with a paw like a gorilla.
 - 2. The spirit of fear entered Don Basham as a child when his brother took him to a horror movie
- D. Another common way that evil spirits enter children is through fooling around with such things as the ouija board, reading palms or tea cups, etc.
- E. Evil spirits entered a girl in New Zealand when she and other children at school had a session to "invoke the spirits"
- F. Another way that children are exposed to evil spirits is through being taken to services at churches where error is taught, such as spiritism, Christian Science, etc.

IV. How To Get Rid Of Evil Spirits:

- A. Now you are beginning to realize that there is something in you that should not be there. Your heart is beating faster, there is a churning feeling in your stomach.
- B. Here is what you must do to get rid of it:
 - 1. *First*, you must come to Jesus. Ask Him to forgive anything bad that you have

done, and to drive these things out of you

2. *Second*, you must get right with your parents

V. Prayer For Deliverance:

If you know that you need help, and you are willing to do what I tell you, then say this prayer with me:

Lord Jesus Christ, I believe that you are the Son of God, that you died for my sins and that you rose again from the dead. I am sorry for the bad things that I have done. I don't want to do them any more and I come to you now, Jesus, and I ask you to forgive me and to wash my heart in your precious blood.

Also, Jesus, I want to be good in my home and to obey my parents.

Now, please forgive me, take away my sins and take out of me any bad spirits that should not be there. I don't want them any longer. I only want the good Spirit that comes from you, Jesus. Amen.
