MAY 2017

"How blessed is he whose help is the God of Jacob, whose hope is in the LORD his God . . . Who executes justice for the oppressed; Who gives food to the hungry. The LORD sets the prisoners free . . . opens the eyes of the blind . . . raises up those who are bowed down . . . protects the strangers . . . supports the fatherless and the widow; but He thwarts the way of the wicked."

Testimony received from Pastor Prem Singh from Dadeldhura in far western Nepal:

We greatly rejoice for the great teaching of Derek Prince. I had been to a spirit-filled church in India, but when I came here, I tried to find spirit-filled and anointed books. Then I found Self-Study Bible Course and Fasting Successfully books through a believer of another church and borrowed them. My whole outlook has changed. I am sharing them with others also. There are other pastors who believe that miracles are gone, that we do not need them. But I have myself experienced a miracle of healing and the gifts of the Spirit. I thank DPM for these books.

New Zealand—Warren Smith

Testimony received from a pastor:

I must express my gratitude to your organization for keeping Derek's teachings available. When I was born again almost 45 years ago, I received the baptism in the Holy Spirit shortly afterwards and knew nothing about the gifts of the Spirit. As I struggled to understand, a Christian friend lent me the entire set of tapes of Derek's teaching on the gifts of the Spirit, and I devoured them. They laid a strong biblical foundation for me at a time when many were going off on all sorts of side tracks. Today, I pastor a church which I have done for more than 20 years. I cannot express how pivotal Derek's teachings have been in helping me remain steadfast and on track over almost half my lifetime. While I have been able to enjoy great input from a wide variety of Christian teachers, Derek remains for me the "anchor man," whose teachings I have come to know and trust.

Norway—Sverre Kristoffersen

We thank God for His provision for all the finances we need and workers who translate and produce books for us. He knows how to guide and provide so we can succeed in Scandinavia and beyond!

Pakistan—James and Elizabeth

Testimony from a school principal:

I have responsibility for 18 teachers and nine other staff. I was ill-prepared to lead these people to manage 650 students and struggled for several years. It is a Christian school, but with no Christian principles. I have been reading Derek's books and have some of the audio teachings in Urdu. These have given me a wonderful opportunity to grow and provided me with a strong foundation to manage our school well. Whatever I learned, I started investing in my teachers and staff. This has given a good boost to our school reputation. I see change not only in the teachers and staff, but this transformation is flowing down to the students as well, who are mostly Muslims. Praise be to God that we are moving from good to excellent.

Philippines—John Cochrane

- Two years ago, I led more than 700 police to the Lord. Now, our Provincial Commander wants Bible study material, so I gave them 700 copies of the *Self-Study Bible Course* in Tagalog.

Solomon Islands—Tele Bartlett

I was thrilled to share Derek's teaching on rejection at a church service and ladies meeting recently.

South Africa—Isabel Surgeon

- Ten players will be sent to Operation Mobilization and Youth with a Mission, Bible schools and other ministries. One player went to Albert Chipps in Cape Town for his ministry on board a communications ship. He writes: *"Elaine and I want to thank you so much for this player. I just broke a three-day fast. I always struggle to fast, but God really came through. We listened to some of the teaching, and it was profound as usual! God bless you all at DPM."*
- We continue to get requests for Derek's radio broadcast CDs that air on Impact Radio and Radio Pulpit. A listener from Johannesburg who could not continue listening due to his change in schedule decided to purchase all of Derek's CDs!! We were so blessed by this order!
- Patrick, a pastor from Venda visited the office and shared this testimony:
 - His stepfather loved Derek's teaching and had purchased numerous books, CDs and DVDs. Patrick was not interested at the time, but after his stepfather passed away and he was left with this material, he began to read and listen. He was so impressed he watched most of the YouTube messages and then came to the office to introduce himself. Patrick is now a pastor and plans to start a church in the inner city. He would like to give people solid Bible teaching as there are many churches who don't teach the Word. Sadly, last year he was in a serious accident, and his wife and eldest son of 20 were killed. He now has four boys to care for ranging in age from 17 to 8-year-old twins.

- Fifteen Christian radio stations will train their staff to upload broadcast material to a Trans World Radio satellite station. They are eager to have the Mega Voice players.

Zambia—Isabel Surgeon

- Ten Mega Voice players will be distributed—to Kaniki Bible School, GLO Bible School, Baptist Theological Seminary in Lusaka, pastors and various ministries.
- Ricky van der Walt will travel again to Zambia and Congo later this year. We will send English and French material with him to distribute to leaders he is training in these countries.

Zimbabwe—Tich Ruzane

- The DPM office in Harare has moved to a more economical place. Sheila is now the office manager and will promote the ministry when she travels to distribute material.
- Ten Mega Voice players will be given to various schools and ministries. One will go to a missionary couple from South Africa who work with young people in correctional services. The Lord has provided couriers for us through networking with other ministries so we can get the players hand delivered. It is too risky and costly to mail them across Africa.
- Tich has now completed the translation of *Explaining Blessings and Curses*.
