OUTREACH PRAYER FOCUS

MAY 2021

Derek Prince once said: “If we had complete and unreserved faith in three aspects of God’s nature—His goodness, His wisdom, and His power—then we would never disobey God.” And it would stir our prayers! Please join us in prayer for our mission of making Derek’s life-changing Bible teaching available to those who desperately need it. Thank you for supporting our outreach.

MAY 1 INTERNATIONAL

- Pray for grace, wisdom, encouragement and protection over the staff and outreach workers of each DPM office worldwide as they press on with their goals midst the pandemic and other challenges.

Former Soviet Republics

MAY 2 RUSSIA

- Our outreach workers plan to go to Rostov-on-Don and Krasnodar with Derek’s books when the borders to Russia are opened. Pray for God’s will in this situation.
- We are also preparing to go to Astrakhan where we will visit orphanages and churches, taking Derek’s books. Pray for the Lord’s direction for this trip.
- We plan to also travel to Macedonia and Albania where we will preach the gospel in tents with 250-300 seats. Pray for successful ministry there.

MAY 3 ESTONIA

- We plan to hold seminars this month on deliverance. Pray for a good attendance and fruitful meetings, that many people will be impacted and find freedom.
- Pray for full and complete healing for our outreach worker and his wife from the after effects of the virus.

MAY 4 UKRAINE

- Hundreds of rehab centres and thousands of people have received Derek’s books. Pray for seeds of righteousness to be planted in their hearts and their lives to change.
- We urgently need a new Ukrainian website for reaching millions of Ukrainian and Russian-speaking people scattered around the world. Pray for the Lord’s guidance and help in accomplishing this.

Middle East

MAY 5 SYRIA

- Pray for God to comfort and heal the people who have experienced trauma after 10 years of civil war and to anoint DPM’s workers to minister to them.
- There are few state benefits for the Syrian people. One is bread, but the queues (lines) to buy it are backed up for hours. For petrol, it is up to two days, and heating oil, if found costs five times the normal price. Pray for relief from this extreme poverty.

MAY 6 EGYPT

- Pray for pandemic restrictions to lessen and borders to reopen so we can resume travel to visit churches and ministries in this region and give them Derek’s materials.
- We are now dubbing 13 episodes from *The Roman Pilgrimage* that we translated. Pray

PRAISE REPORTS - Egypt

- We have completed recording 20 of Derek's radio programs on *The Identification* and trust the Holy Spirit to work through them.
- The Lord directed us to use a new type of video clip on Facebook. Each lasted five minutes and used Arabic subtitles instead of dubbing. They reached 13,000 of our Facebook followers and were shared more than 100 times.
- We finished the translation of Derek's 30 key messages into the Kabyle (Berber) language and they are now posted on the Kabyle YouTube channel.

for the Lord's help and any obstacles to be removed.

MAY 7 TURKEY

- In recent months, interest in Derek's teachings has increased. In many churches, Derek's books are read and discussed at home group meetings. Pray that this hunger will continue and that God will raise up faithful DPM partners across Turkey.

MAY 8 ISRAEL

- Pray for the Lord's continued favour and blessing on our staff as they make Derek's teaching available in Hebrew, Arabic and Russian—on our website and social media platforms as well as locally.

Europe

- Pray for new students to become aware of our Bible Correspondence Course and enrol and for current students to finish the study.

MAY 11 NORWAY

- Pray for continued positive response and impact from Derek's video excerpts and short messages on Facebook and Instagram.
- Pray we can reach more young people and for their hunger for God and His Word to increase.

TESTIMONY - Netherlands

The Dutch office daily emails Derek's devotions from Declaring God's Word to believers. This testimony was received in response to one of these devotions:

"I want to express my gratitude for what I experienced this morning. Thinking about certain things in my life, I asked God whether He would speak to me, praying, 'I would so much like to hear and experience Your voice and have faith in my life situations. May my heart be attentive...' I used to hear Him regularly...but that seems completely gone. I thought to run a Google search on September 6, my birthday. A devotion by Derek showed up: FAITH COMES FROM HEARING. This message and experience has been a great encouragement. We have a speaking God."

- Pray for a stable political situation here as we face two elections—for a government and a President. We need leaders full of God's wisdom and free of corruption in spite of political opposition and attacks from cruel big business leaders.

MAY 13 NETHERLANDS

- The UK and Dutch offices are working on a new online course on "Spiritual Warfare." It was requested by many students who are enrolled in other online courses. Pray for protection and perseverance for everyone involved in its development.

MAY 14 BELARUS

- Pray for wisdom in using Derek's materials to meet the needs of believers in Belarus, which are many and complex due to the political situation.
- Pray that many Christian ministries and churches will find and use Derek's teaching.

MAY 15 GERMANY

- Pray for new contacts and partners to stand with us to produce and share Derek's teaching more widely across Germany through personal contact, our website and online.

MAY 16 HUNGARY

- Pray for good health, vision and God's guidance for Zsolt, DPM Director, and his team in moving forward.

- Pray for continued development of our website and increased awareness of Derek's material through the Internet.

MAY 17 CZECH REPUBLIC

- New and experienced proofreaders are urgently needed for our translations.
- Pray for new digital/social media outreach so we can reach more young people.
- As we plan to publish several books on Israel, pray for Christians in Czech Republic to develop an attitude of blessing and prayer for Israel and her people.

MAY 18 UNITED KINGDOM

- A new study edition of *They Shall Expel Demons* was published recently. Pray for this teaching to be accepted and widely used in churches and by Christians in the UK.
- The new book, *Hear God's Voice*, was recently published. Pray that it will motivate Christians to aim to hear from God resulting in a strong church and revival in our land.

MAY 19 MACEDONIA

MAY 20 CROATIA

- Pray for the Croatian economy to recover from the consequences of the pandemic and a fresh outpouring of the Holy Spirit to bring repentance, salvations and healing.
- Pray that our team will be able to reach many new churches with Derek's teaching and for an ongoing increased demand for God's Word.

Asia/Pacific

MAY 21 AUSTRALIA

- Pray for an increase in supporters to DPM's worldwide mission of reaching the unreached and teaching the untaught.

MAY 22 CHINA

- Pray for wisdom in sharing Derek's teaching on WeChat. In February, the

Chinese authorities published new regulations. Our team now must daily study key words the system will block so Derek's teaching can be shared without being removed.

MAY 23 VIETNAM

- Pastor "D" and Pastor "A" in two different cities coordinate our two translation teams. Pray for God's protection, guidance and wisdom as they seek to "reach the unreached and teach the untaught". Pray for their families and churches as well.

- Pray also for the other translators, including Masa, who is working on a DPM Facebook promotion campaign.

TESTIMONY - UK

A lady wrote to us: "Last night I heard Derek Prince teach on endurance, perseverance and patience, along with suffering for Christ, yet being more than a conqueror through Him Who loved us. it was amazing and so helpful and insightful. Thank you for allowing me access to these teachings. I share these things with others who tend to pay more attention to how they feel than to what the Word of God says. Scripture and God's Holy Spirit have the last word through Jesus Christ our LORD."

PRAISE REPORTS - China

- WeChat users of Derek's materials have greatly increased the last few months. This predominant Chinese App has over 1.2 billion monthly active users who are on the platform 82 minutes daily.
- More Chinese Christians are using our Chinese online courses, including some house church preachers.
- Chinese believers are so thankful for Derek's teachings on Proclamation Cards and audio players. The topic of spiritual warfare is also a great encouragement. Their spiritual hunger is being satisfied during this hard time.

Indian Subcontinent

MAY 26 INDIA

- Pray for God's anointing upon the translators who are working on 50 of Derek's radio programmes in Hindi and Tamil, ready for voicing later this year.
- The situation in India is slowly deteriorating, and it is becoming harder for ministries to preach the Gospel due to anti-conversion laws in a number of states. Indigenous missionaries will, therefore, need to take the Word to their own people. As a result, Directors Elsie and Danny have planned a short-term training session at their base in Tamil Nadu for leaders from north India. Pray for a good response and attendees to be empowered by the Holy Spirit to increase evangelism in their home states.

MAY 27 SRI LANKA

- The political situation here is becoming alarming, with the Tamil/Sinhala divide once

again being used by people seeking political gain. This hinders any major work DPM would like to carry out. Pray that God will intervene and keep the nation at peace so DPM—India Directors, Elsie and Danny, can visit and work here again. A number of pastors are eagerly looking forward to attending conferences once every six months.

- Food parcels have also been provided for 85 families in four different areas of central Vietnam to help them through the Covid-19 season.

OUTREACH REPORT - India

- Many doors have opened after a difficult year, and we see a new thirst among the believers. We held a meeting with over 200 attendees, 70 percent of them non-Christians. Many want our mailings and will get the quarterly Teaching Letter.
- We also held a pastors' conference in Chennai and had 185 paid registrations. This is a great breakthrough here where pastors are only interested in free conferences. They were very happy to receive the gift pack of Derek's books and an SD card containing his teaching, and they went home rejoicing.

- A ministry here distributes Bibles in many African languages across Africa. They have included Derek's *Why Israel?* booklet and now want his Teaching Letters as well. Pray for them in this endeavour.
- We hope to have online Bible courses on our website this year. Pray for this project.

- Five cities in Kenya recently went back into lockdown due to an increase in the Covid virus. We had been approved to minister widely in prisons for younger offenders and in universities and other institutions. But our plans in these cities had to be cancelled. No church activities can take

- We continue to receive good response from radio stations Impact Radio Pretoria and CCFM Radio in Cape Town with requests for Derek's teaching.

JUNE 2021

- For the first time in February, we visited a remote island, Koh Sdach, off the west coast where there was no church. We shared the Gospel with 100 families from an unreached people group, and all of them prayed to accept Jesus! Each family was given Derek's book, *Do You Realize How Valuable You Are?*
- We gave out food parcels to 100 families in the Pursat Province, in conjunction with a local church. Each family was also given a copy of *Do You Realize How Valuable You Are?* We also distributed Derek's Khmer-language books to churches in the Pursat and Sihanoukville Provinces, and they were very well received.
