Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Derek Prince Ministries - International, Inc. as of September 30, 2021 and 2020, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED SEPTEMBER 30, 2021 AND 2020

NOTE 1 – ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Derek Prince Ministries—International, Inc. (the “Ministry”) was incorporated on December 18, 1990, and is located in Charlotte, North Carolina. The Ministry is involved in developing books, audio materials, video materials, and other teaching materials related to evangelism that it distributes worldwide in more than 100 languages. The distribution of the material is made through donations to international outreach offices and sales to the general public. It also prepares evangelical radio programs for worldwide distribution. These outreach efforts are primarily supported by contributions. Reverend Derek Prince was the founding teacher.

Various Ministry offices exist throughout the world that are separate nonprofit corporations, formed under the laws of the respective countries in which they operate. These corporations are governed by independent Boards of Directors; therefore, the results of their operations have not been included in these financial statements.

Basis of Accounting

Basis of accounting refers to when revenue and expenses are recognized in the accounts and reported in the financial statements. The Ministry uses the accrual basis of accounting as required by generally accepted accounting principles, whereby revenue is recognized when it is earned and expenses are recognized when they are incurred.

Financial Statement Presentation

In accordance with Financial Accounting Standards Board ASC Topic 958, *Financial Statements for Not-For-Profit Entities*, the Ministry is required to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are those currently available for use in the operations of the Ministry under the direction of the Board.

Net assets with donor restrictions are those stipulated by donors for specific purposes or those not currently available for use until commitments regarding their use have been fulfilled or lifetime beneficiary interest have ceased.

Cash and Cash Equivalents

Cash and cash equivalents consist of demand and time deposits, and money market accounts that mature within one year. As of September 30, 2021 and 2020, demand deposits and money market accounts consist of cash deposited in banks in the amount of \$2,912,673 and \$1,809,236, and in unsecured money market funds in national investment companies in the amount of \$11,910 and \$11,972 respectively. Cash and cash equivalents exceeded FDIC limits at September 30, 2021 by \$2,707,525. Management believes these financial institutions have strong credit ratings and that credit risk related to these deposits is minimal.

DEREK PRINCE MINISTRIES—INTERNATIONAL, INC.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED SEPTEMBER 30, 2021 AND 2020

Accounts Receivable

Accounts receivable consist of outstanding amounts due from the sale of religious material or other receivables due from affiliates. Management closely monitors the outstanding balances of accounts receivable and establishes an allowance for doubtful accounts when deemed necessary.

Inventory

Inventories are valued at the lower of cost or market using the last in—first out (LIFO) cost method and consist of books, audio materials, video materials, and other teaching materials.

	September 30, <u>2021</u>	September 30, <u>2020</u>
Books	\$177,224	\$191,949
Other teaching materials	<u>9,707</u>	<u>19,099</u>
	<u>\$186,931</u>	<u>\$211,048</u>

Property and Equipment

Property and equipment are stated at cost or, in the case of items contributed, the estimated fair value of the item at the date of receipt. Additions, improvements and expenditures for repairs and maintenance that significantly add to the productivity or extend the economic life of the assets are capitalized if they cost \$500 or more. Other expenditures for repairs and maintenance are charged to expense as incurred.

Depreciation is calculated using the straight-line method based on estimated useful lives ranging from three to forty years. When assets are retired, the assets and related accumulated depreciation are removed from the respective accounts and any profit or loss on the dispositions credited or charged to income. Depreciation expense was \$69,143 and \$57,943 for 2021 and 2020, respectively.

A summary of property is as follows:	September 30, <u>2021</u>	September 30, <u>2020</u>
Cost:		
Buildings and improvements	\$ 995,285	\$ 995,285
Furniture and equipment	<u>471,281</u>	<u>413,114</u>
	1,466,566	1,408,399
Accumulated Depreciation	<u>(742,917)</u>	<u>(697,640)</u>
Net Property	<u>\$ 723,649</u>	<u>\$ 710,759</u>

Net Assets With Donor Restrictions

Net assets with donor restrictions of \$419,516 and \$409,187 for 2021 and 2020, respectively, relate to unspent contributions received by the Ministry, which have been designated by the donor for specific outreach programs and a reallocation of undesignated funds by the Board of Directors.

DEREK PRINCE MINISTRIES—INTERNATIONAL, INC.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED SEPTEMBER 30, 2021 AND 2020

Revenue and Support

The Ministry receives revenue primarily from contributions and sales of books and other materials. Sale prices of the materials are fixed by the Ministry and are intended to represent the direct and indirect costs of producing them.

The Ministry reports gifts and other assets as restricted support if they are received with donor stipulations that limit the use of donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

The Ministry reports gifts of land, buildings, and equipment as support without donor restrictions unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, the Ministry reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Contributions received in the form of securities are recorded at fair market value at the date of receipt. The Ministry's policy is to sell the securities shortly after receipt. Additionally, supporters of the Ministry provide volunteer service in various activities of the Ministry, which are not recorded as revenue.

Expenses

The Ministry classifies its expenses on a functional basis under the following categories:

- 1) Cost of sales – direct and indirect costs related to cost of teaching materials.
- 2) Program Service Expenses - direct and indirect costs related to providing ministry services.
- 3) Fund Raising Expenses - direct and indirect costs of all activities that constitute an appeal for financial support.
- 4) Supporting Service Expenses - all other costs not directly related to program services or fund raising expenses.

Salaries, fringe benefits and other indirect expenses were allocated between program services, supporting services, and fund raising based on various allocation factors. See Note 6 for a schedule of joint cost allocation.

Advertising Costs

Advertising costs are charged to expense as incurred. Total advertising costs were \$1,007 and \$795 for 2021 and 2020, respectively.

Freight and Shipping

Freight and shipping costs are charged to expense as incurred. These costs are reflected in the schedule of joint cost allocation reflected in Note 6.

DEREK PRINCE MINISTRIES—INTERNATIONAL, INC.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED SEPTEMBER 30, 2021 AND 2020

Income Taxes

The Ministry has been granted an exemption from federal and state income taxes under Section 501(c)(3) of the Internal Revenue Code and is not considered to be a private foundation. Accordingly, no provision for income taxes is provided in the financial statements.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements. Actual results could differ from these estimates.

NOTE 2 - ACCOUNTS RECEIVABLE

Statement of Financial Accounting Standards ASC and other valuation methodologies in accordance with Statement of Financial Accounting Standards ASC Topic 825, *Disclosures About Fair Value of Financial Instruments* and FASB ASC Topic 820, *Fair Value Measurements* require fair value of financial instruments to be determined based on the exchange price that would be received for an asset or paid to transfer a liability (an exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants. It establishes a three-level valuation hierarchy based upon observable and unobservable inputs, as follows:

DEREK PRINCE MINISTRIES—INTERNATIONAL, INC.

NOTES TO FINANCIAL STATEMENTS YEARS ENDED SEPTEMBER 30, 2021 AND 2020

Level 1- Fair value is based on quoted prices in active markets for identical assets or liabilities.

Level 2- Fair value is based on observable inputs other than Level 1 prices, such as quoted prices for similar assets or liabilities, quoted prices in markets that are not active, or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the assets or liabilities.

Level 3- Fair value is based on unobservable inputs that are supported by little or no market activity and that are significant to the fair value of the assets or liabilities.

As of September 30, 2021, and 2020, the Ministry's investments are classified as a Level 1 assets.

NOTE 5 - RELATED PARTY TRANSACTIONS

Various Ministry offices exist throughout the world that are separate nonprofit corporations, formed under the laws of the respective countries in which they operate. These corporations are governed by independent Boards of Directors; therefore, the results of their operations have not been included in these financial statements. The Ministry made contributions to international outreach offices of \$955,396 and \$826,646 for 2021 and 2020, respectively, based on designated contributions made to the Ministry by various donors. Additionally, these offices reimbursed Derek Prince Ministries—International, Inc. for operating expenses of \$46,876 for the year ended September 30, 2021 and \$58,673 for the year ended September 30, 2020, which is reflected herein as a reduction of operating expenses. Two members of the Ministry Board of Directors were also members of two of the independent Boards of Directors in the other countries during the year. They periodically met with those organizations to be certain that their relationships with the Ministry were properly maintained.

Additionally, the outstanding amount due from international affiliates is \$321 and \$652 at September 30, 2021 and 2020, as reflected in Note 2.
